Height adjustable stand

We care about your well-being. This is why this monitor offers height adjustment options, which help you find your perfect posture while working, playing or watching videos. Adapting your AOC monitor to your needs not only helps you reduce fatigue and keep your body healthy. In the end it lets you and your team achieve better results in whatever you are doing.

QHD Resolution

With 2560 x 1440 resolution, Quad HD (QHD) offers superior picture quality and sharp imagery that reveals the finest details. The widescreen 16:9 aspect ratio provides plenty of space to spread out and work, plus allows you to enjoy games or movies in their original size.

USB Hub

USB 3.0 gives you more bandwidth and SuperSpeed data transfer – ten times faster than USB 2.0. With fast charge functionality, these hubs also quickly power your phones and tablets. USB 3.0 is ideal for connecting all your devices and peripherals to your display, and it's backwards compatible with USB 2.0.
