## HIGHLIGHTS

4K Ultra HD Android TV™

HDR (High Dynamic Range)

Screen Size 126 cm (50")

HARMAN/KARDON® Speaker System

The Google Assistant

Chromecast Built-in

Bluetooth®

UHD Tuner DVB-T/T2/C/S/S2 (MPEG4 + HEVC/H.265 (10-bit))

Android Smart Ultra HD 50DL3EA provides a wide range of connection possibilities.

Android TV™ provides customers with a modern and intuitive approach to TV that provides more value than just watching content. It's an all in one, entertainment hub.

Android TV™ with the Google Assistant provides a smarter viewing experience. Quickly access entertainment, control smart devices, get answers on screen, and more using your voice.

## TV Product Features

|                                               |                                                                                 |
|-----------------------------------------------|---------------------------------------------------------------------------------|
| Operating System                              | Android 9.0                                                                     |
| Pre-installed Apps                            | Netflix, Youtube, Google Play Movies & TV, Google Play Store, Prime Video       |
| USB Video                                     | MKV, MP4, MOV, AVI, MPG, MPEG, 3GP, 3GPP, ASF, FLV, WEBM, VOB, DAT, TS, TRP, TP |
| USB Music                                     | MP3, M4A, AAC, AC3, EAC3, DTS, WAV, FLAC, LPCM                                  |
| USB Photo                                     | JPG, JPEG, BMP, PNG, GIF, MPO                                                   |
| Media Network Streaming (Video, Photo, Music) | Yes / Yes / Yes                                                                 |
| HbbTV                                         | Yes (v 2.0.2)                                                                   |
| USB File System                               | FAT32, NTFS                                                                     |
| USB 4K Video                                  | Yes                                                                             |
| Digital Programme List                        | Yes                                                                             |
| Home Media Server                             | Yes                                                                             |
| Google Assistant With Microphone              | Yes                                                                             |
| OTA Updates                                   | Yes                                                                             |
| HDMI ARC                                      | Yes                                                                             |
| HDMI CEC                                      | Yes                                                                             |

## Display Systems

|                                 |             |
|---------------------------------|-------------|
| Diagonal Screen Size Cm         | 126         |
| Diagonal Screen Size Inch       | 50"         |
| Panel Resolution (HxV) In Pixel | 3840 x 2160 |
| Dynamic Contrast                | 1 000 000:1 |
| Active Motion                   | 600         |
| HDR support                     | HDR10, HLG  |

## Audio Systems

|                            |                                               |
|----------------------------|-----------------------------------------------|
| Speaker                    | Full-range + silk tweeter                     |
| Speaker power (W)          | 2x10W (8 ohm)                                 |
| Sound System               | BG, DK, I, L/L', MN, NICAM/A2                 |
| Sound Settings             | Sound Equalizer                               |
| Audio decoder              | Dolby Digital, Dolby Digital Plus, Dolby AC-4 |
| Sound Technology           | Harman-Kardon                                 |
| Audio enhancement solution | DTS Virtual:X™                                |

## I/O Systems

|                                    |                                                                                                   |
|------------------------------------|---------------------------------------------------------------------------------------------------|
| Antenna Input                      | Yes                                                                                               |
| Satellite Input                    | Yes                                                                                               |
| HDMI 4K @ 60 Hz (2.0b)             | x4                                                                                                |
| USB                                | x2                                                                                                |
| Micro USB                          | x1                                                                                                |
| Audio out / headphone jack (3.5mm) | Yes                                                                                               |
| RJ 45 (LAN - 10BASE-T/100BASE-TX)  | x1                                                                                                |
| Wi-Fi Max Transmitter Power        | 100 mW at 2,412 GHz - 2,472 GHz; 100 mW at 5,150 GHz - 5,350 GHz; 100 mW at 5,470 GHz - 5,725 GHz |
| Remote Control                     | IR+BT                                                                                             |
| Bluetooth                          | Yes                                                                                               |
| Micro SD card slot                 | x1                                                                                                |
| Composite Input                    | Yes                                                                                               |
| Component/YPbPr                    | Yes                                                                                               |
| L/R Audio for Component/Composite  | Yes                                                                                               |
| Digital Optical Audio Output       | Yes                                                                                               |

## Video Systems

|                 |                                               |
|-----------------|-----------------------------------------------|
| TV System (ATV) | PAL, SECAM                                    |
| Video system    | HEVC/H.265 (10-bit), MPEG4/H.264, VP9         |
| TV System (DTV) | DVB-T/T2/C/S/S2 (MPEG4 + H.265/HEVC (10-bit)) |

## Power Information

|                                          |                                     |
|------------------------------------------|-------------------------------------|
| Power Requirements                       | AC 220-240V ~ 50/60Hz               |
| Power Consumption (ecomode/standard/max) | 70/95/115 W                         |
| Power Consumption                        | 70,0 W                              |
| Standby Power Consumption                | <0,50 W                             |
| Safety Logo Certification                | CE (RED, RoHS, ErP), REACH/PAH/SCCP |
| Plug                                     | CE Plug                             |
| Auto Power Off                           | Yes                                 |
| AC Operated                              | Yes                                 |
| Energy Class                             | G                                   |

## Logistic Information

|                                       |                                                                                          |
|---------------------------------------|------------------------------------------------------------------------------------------|
| Unit Size (W x H x D in mm)           | 1114,8 x 650,8 x 79,4                                                                    |
| Net Size with Stand (W x H x D in mm) | 1114,8 x 705,5 x 245,5                                                                   |
| Dimension Between Stand Feet (in mm)  | 1012.6                                                                                   |
| Box Size (W x H x D in mm)            | 1200 x 745 x 160                                                                         |
| Unit Weight (kg)                      | 9.6                                                                                      |
| Gross Weight (kg)                     | 13.4                                                                                     |
| Packaging Content                     | Product, Remote control, 2x AAA batteries, TV stand installation pack, Quick start guide |
