

Create a Personal Hotspot from any wired connection

Buffalo Technology's new AirStation™ Wireless N300 Travel Router (WMR-300-EU) is the quick, easy way to bring the convenience of an N300 wireless router with you wherever you go. Buffalo's new Travel Router gives users added mobility by creating a Personal Hotspot, with speeds of up to 300 Mbps from any cable connection.

Perfect for use with all tablets, laptops and smartphones, Buffalo's new router also includes integrated USB power cable and an integrated and break-resistant LAN, so no need to worry about leaving your cables behind!

In addition to travel use, Buffalo's new AirStation™ Wireless Router also has a guest port feature so it's possible to share your Travel Router's wireless network with others without disclosing your password.

Super convenient while on-the-go, Buffalo Technology's AirStation™ Wireless N300 Travel Router (WMR-300-EU) turns any wired connection into your own personal Hotspot.

WMR-300-EU

Features and Benefits

- Create a personal hotspot from any Internet connection
- Compact, convenient and providing excellent coverage
- Transfer speeds up to 300 Mbps
- Compact size is perfect for travel
- USB Bus-Powered
- Integrated break-resistant LAN and USB cables won't be forgotten or left behind
- Perfect for Tablets and Smartphones

Specifications

Wireless LAN Interface	
Standard Compliance	802.11n, 802.11b/g
Transmission Method	ODFM, MIMO, DSSS
Frequency Range	2.4GHz
Transmission Rate	300Mbps
Antenna (TX x RX)	2x2
Access Method	CSMA/CA
Access mode	Infrastructure Mode
Security	WPA2-PSK (AES, TKIP), WPA-PSK (AES, TKIP), 128/64Bit WEP, Mac Address Filter
Wired WAN Interface	
Standard Compliance	IEEE802.3u (100BASE-TX), IEEE802.3 Compliant (10BASE-T)
Transmission Rate	10/100Mbps (auto detect)
Access Method	CSMA/CD
WAN security	Dynamic Packet Filtering, Intrusion Detector, NAT/SPI Firewall
Ports	1xRJ-45
Wired WAN Interface	
Setup Utility OS Support	Windows 8 (32/64Bit), Windows® 7 (32/64Bit), Windows® Vista™ (32/64Bit), Windows® XP
Dimensions (WxDxH)	58x58x20mm (body only)
Weight	51g (device only)
Operating environment	Temperature 0 - 40 °C, humidity 10-85% (non condensing)
Max. power consumption	2.5W
Power supply	USB Power Cord with USB2.0 Type-A Plug

Product codes

WMR-300-EU

About Buffalo

Buffalo Technology is a leading global provider of award-winning storage, networking, memory, and multimedia solutions for the home and small business environments as well as for system builders and integrators. With more than three decades of networking and computer peripheral experience, Buffalo has proven its commitment to delivering innovative solutions that have put the company at the forefront of infrastructure technology.
